

Eden Realty Group Launches largest solar housing project

KOLKATA: Eden Realty Group, eastern India's leading real estate developer, announced the launch of Asia's largest and world's second largest affordable and integrated solar housing project, Solaris City Serampore. The group also launched another ambitious project, Solaris Joka. Solaris City Serampore is going to be a destination by itself. It is a large residential project with a full-fledged mall, food court and large format retail outfit. Eden Realty Group chairman Sachchidanand Rai, joint managing directors Arya Sumant and Kumar Satyaki, architect Malay Ghosh and others were present on the occasion. **PTI**
